Evenly Balanced

THIS afternoon we extend a hearty and sporting welcome to the officials, players and supporters of Bolton Wanderers for what we hope will be an entertaining tussle in the best traditions of the F.A. Cup.

The present League records of Spurs and Bolton show how evenly balanced are the two teams contesting this tie. We occupy the top two positions in Div. 2 with Spurs now leading on goals difference after Bolton's home defeat by Burnley on Monday night, but for 90 minutes today, our shared ambitions in the League are set aside as we strive for a place in the fourth-round draw.

Peter Taylor

It was disappointing that we should have surrendered a point away to Sheffield United on Monday after taking a 2-0 lead early in the second half.

After an even first half, we scored twice in the 53rd minute. **JOHN DUNCAN** finished off a move by Don McAllister and Jim Holmes to score the first and within seconds **PETER TAYLOR**

had driven in the second from **COLIN LEE**'s pass.

It seemed a precious victory was within our grasp, but Sheffield have to be given full credit for a spectacular rally. In the 60th minute **KEITH EDWARDS** finished off a copy-book move by heading into our net and the goal that cost us a point was hammered home through a crowded goalmouth in the 78th minute by **GARY HAMSON**. "I never saw it" said Barry Daines, who had made excellent saves from Simon Stainrod and

Alan Woodward. A minute later McAllister, the victim of a knock on the thigh, was replaced by Gerry Armstrong.

Our team was Daines; Naylor, Holmes, Hoddle, McAllister (sub. Armstrong), Perryman, Pratt, McNab, Duncan, Lee and Taylor.

SAME TEAM

This was the same team that had beaten Blackburn Rovers here last Saturday and our 4-0 win over the Lancashire club was particularly pleasing in view of the point dropped in each of the preceding four home matches.

Once **GLENN HODDLE** had given Spurs that early lead from a free-kick, there was never much doubt about which team held the whip hand.

JOHN PRATT'S headed goal from Taylor's corner strengthened our position before half-time, and Lee's two well-taken headers in the second half left Spurs convincing winners. Excellent work by Neil McNab, who also gave another impressive display at Sheffield on Monday, enabled Lee to seize his scoring chances.

Three minutes after Lee's second goal, Armstrong came on as substitute for Duncan. In a late raid by Blackburn, Stuart Metcalf hit the post.

We now lead the table and it is pleasing to note that we have scored more and conceded fewer goals than any other club in the Second Division. Yet our position could easily have been stronger. Apart from letting Sheffield back into the game when we were on the winning path on Monday, we conceded that point unexpectedly to Mansfield Town here on Tuesday of last week.

Spurs v. Blackburn Rovers

Action from our match versus Blackburn Rovers on this ground last Saturday

1. Glenn Hoddle scores a great goal from a well taken free kick.

2. John Pratt jumps to head Spurs' second from a corner kick by Peter Taylor.

Colin Lee adds two more

3. A beautiful headed goal from a superb cross by Neil McNab

4. Colin heads his second from another good cross, this time from Glenn Hoddle.

ANOTHER CUP . . .

The F.A. Cup is undoubtedly the outstanding tournament of its kind in the world, embracing as it does, so many clubs from varying grades of senior football from even the opening weeks of the season, when the qualifying competition is staged.

It is of great importance to the clubs competing, the players participating and you, the spectators, looking on.

Today's cup-tie with Bolton is foremost in all our minds, but we feel this is a suitable time to direct attention to another cup encounter to be played on this ground next Wednesday evening.

Spurs will then play Aston Villa in the third round of the F.A. Youth Cup. We know such a competition cannot command widespread public attention, but a good crowd for this match would give our youth players a lot of encouragement for the task facing them.

The F.A. Youth Cup is the only national competition in which our team plays. Their normal sphere of operation is Division 1 of the South East Counties League. We participate in the Cup competition run by that League and also in the Southern Junior Floodlit Cup.

The F.A. Youth Cup is therefore the best yardstick by which we can measure the strength of our pool of youth players against those of other clubs. The youth player of today can be the star of tomorrow and these matches are vital to the development of young players.

To the players themselves, the F.A. Youth Cup is as important as the F.A. Cup is to senior players, and they get the extra uplift of playing on the main ground, a setting which contrasts vividly with their normal background of a training or junior ground.

In the last round Spurs defeated Norwich City 3—0 on a rain-soaked pitch here last month. It was an excellent match and we hope many supporters who do not usually attend Youth games will swell that loyal band of die-hards who always turn up for these fixtures, when Villa visit us next Wednesday.

. . . SECOND-HALF IMPROVEMENT

The Youth team picked up two more useful points in the South East Counties League, Division 1 last Saturday by winning 3—0 away to Watford.

A good goal by **JOE SIMMONDS** gave Spurs a single-goal lead at half-time, and midway through the second half, **MARK FALCO** added a second from a penalty for hands.

Our performance improved as the match wore on and Simmonds scored another good goal towards the end. Spurs were well worth the three-goal win.

Team: Batchelor; S. Mabey, M. Wyatt, G. Reardon, G. O'Reilly, Simmonds, Miller, P. Southey, Falco, Hazard and Brooke.

GOOD CLUB . . .

Bolton's is the first result **DON McALLISTER** looks for on match days after our own. Today he'll know on the final whistle.

Don McAllister

Don was, of course, signed from Bolton just under three years ago, and still has a firm affection for his old club.

"You don't play for a club like Bolton for seven years without developing a strong feeling for them", he says. "Bolton were always a good club to me, and I'm glad they are now getting a just reward for their patience in building a team capable of winning promotion.

"I hope they go up . . . by finishing second to Spurs!"

Bolton's **PAUL JONES** is a particular friend of Don's. When Don and his wife, **LINDA**, pay a return visit to Bolton, they stay at Paul's home.

. . . GOOD LUCK ANDY

Last Week **ANDY KEELEY**, our reserve defender, left us for Sheffield United, and we wish him the best of luck in the colours of the Yorkshire club.

Andy joined Spurs as an apprentice in September, 1972, and was upgraded to full professional status in January, 1974. A former England Youth international, he made his League debut for us at home to Birmingham City in October, 1976, and when last season ended, he had made five First Division appearances, plus one as substitute.

His final appearance for Spurs, away to Leicester City in the reserves last month, was his 14th in the Football Combination this season. Last Saturday he made his first appearance for Sheffield United reserves against Everton.

Andy is not the only ex-Spurs player at Bramall Lane. **JOHN CUTBUSH**, our former defender, is in his first full season with the Sheffield club.

Andy's brother, **Glenn**, played for Blackburn against Spurs here last Saturday.

Andy Keeley

ACCOMMODATION . . .

The Club is looking for suitable accommodation for young players in this district. Anyone able to help the Club in this respect is asked to communicate with the Secretary here at the ground.

QUICK QUESTION Who was the last player to score a goal for Spurs in the F.A. Cup? The answer is on page 11.

WE'VE MET BEFORE...

Here is the complete record of all past matches between Spurs and Bolton Wanderers in the Football League and F.A. Cup. Spurs' score is given first. Prior to this season, all our League meetings were at First Division level with the exception of 1908-09.

BARREN PERIOD

Although on three occasions a replay has been necessary, the fact remains that Spurs have failed to win a match in the F.A. Cup since that 6-0 victory at Margate in the third round in 1973.

It's been an extremely barren period in our Cup history, and gives us an extra incentive to qualify for the fourth-round at Bolton's expense. Last season we were knocked out 1-0 at Cardiff.

WELCOME

A **BOLTON WANDERERS** team steps out on to our pitch this afternoon for the first time since April, 1964, when we last met them in a First Division match.

Bolton are not due to play us here in the League until April, and there is therefore a freshness about the Lancashire club's reappearance at White Hart Lane for today's cup-tie.

We have had some great tussles with Bolton in the F.A. Cup in the past and memories of those matches are revived on page 13. Bolton have known their disappointments in recent years, but like ourselves, they have a proud record in the Cup, which they have won four times.

Bolton had the distinction of winning the first Wembley final in 1923 when they defeated West Ham United 2—0, when the famous white horse, which helped push back the encroaching crowd from the playing area, achieved as much distinction as the players!

Three years after their win over West Ham, Bolton were back at Wembley to play Manchester City, and a goal by **DAVID JACK** again gave them the trophy. After another three-year lapse, in 1929, the Wanderers again left Wembley with the Cup after beating Portsmouth 2—0.

Bolton's fourth F.A. Cup triumph was in 1958, when they defeated Manchester United by 2—0. **IAN GREAVES**, their present manager, played against Bolton in that final.

Bolton have also finished runners-up to the F.A. Cup-winners on three occasions. In 1894 they were beaten 4—1 by Notts County in the only final ever played on Everton's ground, and Manchester City defeated them 1—0 at the old Crystal Palace ground in 1904. In 1953 they lost 4—3 to Blackpool in one of the most spectacular finals ever staged at Wembley.

Bolton Wanderers 1977-78. Left to right, back row: Garry Jones, Steve Taylor (now Oldham Athletic), Roy Greaves, John Ritson, Mike Walsh, Brian Smith. Middle row: Alan Waldron (now Blackpool), Terry Poole, Neil Whatmore, Sam Allardyce, Jim McDonagh, Peter Nicholson. Front row: Tony Dunne, Ray Train, Andy Clements (now York City), Paul Jones, Peter Reid, Willie Morgan, Peter Thompson.

With United he gained a League championship medal in 1956 and an F.A. Cup-winners runner-up medal in 1958.

LOOKING AHEAD

Providing today's cup-tie with Bolton is settled without the need for a replay next week, our next engagement is away to **NOTTS COUNTY** in the League next Saturday.

When Notts were here last August, we defeated them 2—1. They have had a poor first half to the season, during which time they have had a change of manager. When they opposed us last August, they were managed by Ronnie Fenton. Now they are in the hands of Manager Jimmy Sirrel, who started the season in charge of Sheffield United.

Spurs will be playing at Meadow Lane for the first time since December, 1932, when Notts finished winners by 3—0. The records show that our last win over Notts on their own ground was by 1—0 in November, 1929, **TED HARPER** scoring our goal.

With promotion our aim it is important that our players should rise to the occasion next Saturday. We need at least a point from this engagement.

ROAD ROUTE

Supporters planning to travel to Nottingham by road for next Saturday's match are advised to use the following route by the R.A.C.

Proceed from this district via the North Circular Road (A.406) and continue to the roundabout at Staples Corner. Follow the signs "M.1 Motorway, The North" to the start of the M.1 and continue northward to Intersection No. 24. Follow the signs "Nottingham A.648" and continue ahead by Wilford Lane to the junction with Loughborough Road (A.60). Turn left and continue—keeping left—to Trent Bridge. Follow the signs "Mansfield A.60, Southwell A.612" to London Road.

Pass the Blue Star garage and continue to the second set of traffic lights. Turn right on to Cattle Market Road and to the football ground and car park.

The approximate distance from the Tottenham area is 128 miles. When approaching the ground, the R.A.C. advise drivers to watch out for any special signs, including diversions.

For this match **SPURS SUPPORTERS CLUB** have organised charter travel by rail to Nottingham at a return fare of £3.70, departing St. Pancras at 11.10, and arriving back at St. Pancras at 19.31. This travel facility is available only to members of the Supporters Club. For further details telephone 01-808 7430.

Our next home League match is against **CARDIFF CITY**, another club struggling to pull away from the relegation zone, a fortnight today. When we visited Cardiff in September, we held the Welsh club to a goalless draw. We need to improve on that result when we play them again on Saturday week.

AT LONG LAST

The Reserves will be playing here next Saturday at long last. Their opponents will be Cardiff, and it will be the first appearance of our Combination team on this ground since 23rd November, when we drew with Arsenal!

The Reserves were due to visit Plymouth Argyle on Wednesday, but this programme was printed too early this week to permit any reference to that match to be included.

The Youth team have their big night against Aston Villa here in the F.A. Youth Cup next Wednesday, and next Saturday they are due to visit Portsmouth in Division 1 of the South East Counties League.

SCRAPBOOK

THE PAST CUP-TIES

Spurs and Bolton have been paired in the F.A. Cup on three occasions in the past. It happened in 1925, 1935 and 1948, and on none of these occasions was the tie settled in 90 minutes.

There must be many supporters of both clubs here today who recall the third-round tie at Bolton in 1948. Spurs won the match 2—0 and we reproduce the line-up page from Bolton's programme that day. The sharp-eyed may note the mis-spelling of **JOHNNY JORDAN'S** name!

Len Duquemin

As Bolton were then in the First Division and Spurs in the Second, it was a fine performance by our team in a thrilling match watched by a 37,075 crowd.

Extra time was played in the first match that year in order to minimise mid-week replays, and so lessen absenteeism in industry. There was a blank score-sheet at the end of normal time, but **LEN DUQUEMIN** scored twice in extra time to win the tie for Spurs. The first was a brilliant solo effort following a hefty clearance by **TED DITCHBURN**, and Duquemin headed the second from a cross by **FREDDIE COX**.

THREE MEETINGS

Back in 1935, it took three meetings before Spurs and Bolton could settle a fifth-round tie.

At that time Spurs were in the First Division and Bolton in the Second, and the gate figure of 70,347 set up a new crowd record for this ground. The match was drawn 1—1, **JACK ATKINSON** equalising an earlier goal for Spurs from **WILLIE EVANS**, with a 40-yard shot. "Atkinson has never scored a more valuable goal . . ." commented Bolton's programme for the replay on the following Wednesday.

George Hunt

The match at Burnden Park drew a crowd of 47,453, and a gruelling game, on a slippery, rain-soaked surface, again ended 1—1, this time after extra time. **GEORGE HUNT**, who later became a Bolton player, gave Spurs the lead, and **RAY WESTWOOD** equalised. Bolton were good winners by 2—0 of the second replay on Aston Villa's ground the following Monday.

FIRST CUP CLASH

The first of the Cup clashes between the clubs in 1925 produced a game described in our programme the following Saturday as "one of the finest Cup struggles ever staged on our enclosure."

It was an all-First Division clash, but Bolton were enjoying a much better League season than Spurs. Bolton took the lead in this match, but although facing the wind, Spurs pushed the visitors back, and a goal from **JIMMY SEED**, our inside-right, earned us a replay at Bolton.

The odds seemed stacked heavily against Spurs at Burnden Park, and on the day, the Wanderers had more of the play. In goal for Spurs, however, was **FRED HINTON**, who had been signed during the previous year from Bolton, where he had understudied the great **DICK PYM**.

Fred Hinton

Hinton had something to prove in that tie against his old club, and his masterly display had a great deal to do with the victory pulled off by Spurs. The only goal of the match was scored for Spurs early in the second half by **BILLY LANE**. He was a newcomer to the side, and that valuable goal at Bolton was his first for the senior team.
